

Westfjords Way Challenge

**Four stages.
Five days.
More than just a race.**

→ **Accommodations**

Accommodations

All hotels are pre-reserved by the race and made available to participants through the Corsa online store. There are two steps to registration and you will be able to confirm your ticket before accessing accommodation. It is likely that accommodation will sell out quickly but it is recommended to check back to the store regularly as some may become available again. If cancellations are made closer to the race day, race staff will communicate what will become available in advance of it being sold in the store

Hotel accommodations in the Westfjords are limited, but camping space is available for all riders at the end of each stage. The race will transport one 30L bag for all riders and a tent and sleep system for those who choose to camp. Our intention is to ensure an even playing field, where riders cannot buy an easier experience. All riders are required to carry an emergency bivvy regardless of sleeping arrangements. You are also welcome to search for your own accommodations, but you will be responsible for travel to and from the stage start/end points.

Options if you don't see available accommodation:

- Arrange a room share with other riders.
- Book your own accommodation outside of reserved race hotels (keeping in mind you still need to arrive at the race hotel to finish your stage time and start the next stage).
- If you are traveling with a partner or someone who wants to explore the Westfjords in a car during the day, you can book a campervan rental and sleep there at the end of each stage. *You cannot accept outside support from anyone outside of race-provided meals and what you can buy on-route.

Note that this document is to be used as a guide only. While most info is final, some pricing and availability may be subject to change.

Booking Hotels

Race accommodations will be handled by Cycling Westfjords through our **Corsa registration store**.

To access the store:

1. Sign into your [Corsa account](#)
2. Go to **My Page**
3. Find the Arna Westfjords Way Challenge event, and you will find the link to the store on the left-hand side.

Accommodations are limited and must be paid in full when reserved. Room sharing is highly encouraged and we recommend purchasing a room and coordinating room-share with other riders through our Discord channel. It is also recommended to coordinate payment with other riders in advance of the race and **Cycling Westfjords is not responsible for room sharing arrangements made or payment of room-shares.**

If you are the owner of a reservation, you may cancel your reservation without penalty until June 24, 2024.

Monday, July 22 - Tuesday, July 23

Stage 3

Stage 3 ends in the town of Patreksfjörður. Accommodation options are spread out through the town, all near the Adventure Day basecamp. **Keep in mind that one night reservations must check-out by 11am and the final stage does not start till midnight.**

You may choose to reserve two nights at your accommodation so you can have a place to relax, or you can always head to the Adventure Day basecamp, where you are welcome to hang out for the day. The Adventure Day basecamp will have a light breakfast available on Saturday morning. A group lunch will be served at FLAK on Saturday at 1pm.

Accommodation

Stekkaból

Stekkaból is the only race-provided accommodation option (other than camping) that offers two nights in a row (July 1 and 2). It is a family run guesthouse. Choose from a double room or family room, with breakfast provided.

Note that the last stage starts at midnight so this “night” is from 11am to midnight. Because this is the only race option for the two nights, reserving this accommodation is for both nights only (no single nights). If you are only planning to stay for one night, we recommend one of the other options.

Pricing

- Double Room
55.500

Accommodations in Patreksfjörður are very limited, and it is likely that they will sell out quickly. Room sharing is highly encouraged for all nights, but especially this night. It is possible that camping may be riders' only option, but the Adventure Day basecamp will be a good spot for riders to rest inside. Additional accommodations may become available, and we will communicate any updates via the Discord channel.
